Dear Sir/Ma,

INTRODUCTORY LETTER FOR PRACTICAL SKILLS APPLICATION (PSA)

I write to formally introduce,an undergraduate student of Information Technology. He/She wishes to undertake his/her Practical Skills Application (PSA) with your esteemed organization. This initiative involves identifying real-world challenges within your organization and applying the skills and knowledge acquired during his/her studies at **Lincoln University College, Malaysia - NSUK CAMPUS** to solve the identified problems.

The Practical Skills Application is an integral part of our educational curriculum, designed to provide students with hands-on experience while fostering innovative and practical problem-solving abilities.

We kindly request your organization to consider accepting the student as a participant in this program. Please note that this initiative is purely educational and does not entail any financial obligations on the part of your organization.

While thanking you for an anticipated cooperation, we look forward to a fruitful collaboration.

Best regards.

Abdullahi Jafar Musa
H.O.D, Computer Science
